Notes:

1. A member entitled to attend and vote at the meeting is entitled to appoint a proxy to attend and vote instead of himself and a proxy need not be a member of the company. The instrument appointing a proxy should, however, be deposited at the registered office of the company not less than 48 hours before the commencement of the meeting.
2. A person can act as proxy for only 50 members and holding in aggregate not more than 10 percent of the total share capital of the company carrying voting rights. Member holding more than 10 percent of the total share capital of the company carrying voting rights may appoint a single person as proxy and such person shall not act as proxy for any other member.
3. Corporate Members are requested to send to the Company a duly certified copy of the Board Resolution, pursuant to section 113 of the Companies Act, 2013, authorizing their representative to attend and vote at the Annual General Meeting.
4. Members, Proxies and Authorized Representatives are requested to bring the duly completed Attendance Slip enclosed herewith to attend the AGM.

5. The Register of Members and Share transfer Books of the company will remain close from, Friday, 24th September, 2021 to Thursday, 30th September, 2021 (both days inclusive).
6. Members are requested to notify immediately any change in their address and E-Mail ID to their respective Depository Participants (DPs) in respect of their electronic share accounts and to the Registrar and Share Transfer Agent of the Company viz., Ankit Consultancy Private Limited, Located at 60, Electronic Complex, Pardeshipura, Indore, Tel: +91 0731- 3198601/602: Fax: +91 0731- 4065798, E-mail: ankit_4321@yahoo.com to receive soft copy of Annual Report of the Company.
7. As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from April 1, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or Company's Registrars and Transfer Agents, Ankit Consultancy Private Limited for assistance in this regard.
8. Members are requested to :
 - a. Complete the attendance slip and deliver the same at the entrance of the meeting hall.
 - b. Bring their copies of the Annual Report at the time of attending the Annual General Meeting.
 - c. Send their questions at least 10 days in advance of the Annual General Meeting about any further information on accounts so as to enable the Company to answer their question satisfactorily.
9. All documents referred to in the accompanying Notice are open for inspection at the Registered Office of the Company on all working days except Saturday between 11:00 A.M. to 1:00 P.M. upto the date of the Annual General Meeting.
10. Members who hold shares in dematerialized form are requested to bring their Client ID and DP ID Nos. for easy identification of attendance at the meeting.
11. In terms of circulars issued by the Securities and Exchange Board of India (SEBI), it is now mandatory to furnish a copy of PAN card to the Company or its RTA in the following cases viz. transfer of shares, deletion of name, transmission of shares and transposition of shares.
12. The Annual Report of the Company for the year 2020-21, circulated to the Members of the Company, is available on the Company's website viz. paragfans.com, websites of the Stock Exchange, i.e. MSE at msei.in and on the website of CDSL i.e. www.evotingindia.com.
13. In compliance with the MCA Circulars and SEBI Circular dated May 12, 2020, Notice calling the Annual General Meeting, Directors Report, Audited Financial Statements, Auditors Report, etc. are being sent only through electronic mode to those Members whose email addresses are registered with the RTA / Depositories. Members who have not registered their email addresses are requested to register the same for receiving all communication from time to time including Annual Report, Notices, Circulars, etc. from the Company electronically
14. The Results declared along with the Scrutinizer's Report shall be placed on the Company's website paragfans.com not later than 2 (two) days of passing of the resolution at the Annual General Meeting of the Company and will be communicated to the Stock Exchange(s).
15. Members may also note that the Notice of Annual General Meeting, Attendance Slip, Proxy Form, Route Map, Ballot/Poll Paper for the year 2020-21 will also be available on the company website paragfans.com for their download. For any communication, the shareholders may also send request to the company on the aforementioned Email ID.
16. The Map of Venue of AGM is given at the last page of Annual Report.
17. The Company has engaged the services of Central Depository Services Limited ("CDSL") as the Agency for providing e-Voting facility (remote e-Voting and voting at AGM) to the shareholders of the Company in order to cast their votes electronically in terms of the aforesaid 'MCA Circulars'.

PROCEDURE FOR REMOTE E-VOTING AND E-VOTING AT THE AGM:

The Company is pleased to offer e-voting facility to all its members to enable them to cast their vote electronically in terms of Section 108 of the Companies Act, 2013 read with the Companies (Management and Administration) Rules, 2014 and as per listing agreement (including any statutory modification or re-enactment thereof for the time being in force). Accordingly, a member may exercise his vote by electronic means and the Company may pass any resolution by electronic voting system in accordance with the below provisions, through the e- voting services provided by CDSL.

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

- (i) The voting period begins on **27th September, 2021 at 9:00 a.m.** and ends on **29th September, 2021 at 5:00 p.m.** During this period shareholders’ of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of **23rd September, 2021** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders’ resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants.** Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode CDSL/NSDL** is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in Demat mode with CDSL	1) Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. After Successful login, you will be able to see e-Voting option. Once you click on e-Voting option, you will be redirected to NSDL/CDSL Depository site after successful authentication, wherein you can see e-Voting feature. Click on company name or e-Voting service provider name and you will be redirected to e-Voting service provider website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.</p>

Important note: Members who are unable to retrieve User ID/ Password are advised to use Forget User ID and Forget Password option available at abovementioned website.

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. CDSL and NSDL

Login type	Helpdesk details
Individual Shareholders holding securities in Demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at 022- 23058738 and 22-23058542-43.
Individual Shareholders holding securities in Demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.co.in or call at toll free no.: 1800 1020 990 and 1800 22 44 30

(v) Login method for e-Voting and joining virtual meetings for **Physical shareholders and shareholders other than individual holding in Demat form.**

- 1) The shareholders should log on to the e-voting website www.evotingindia.com.
- 2) Click on “Shareholders” module.
- 3) Now enter your User ID
 - a. For CDSL: 16 digits beneficiary ID,
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - c. Shareholders holding shares in Physical Form should enter Folio Number registered with the Company.
- 4) Next enter the Image Verification as displayed and Click on Login.
- 5) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier e-voting of any company, then your existing password is to be used.
- 6) If you are a first-time user follow the steps given below:

	For Physical shareholders and other than individual shareholders holding shares in Demat.
PAN	Enter your 10 digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) <ul style="list-style-type: none"> • Shareholders who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number sent by Company/RTA or contact Company/RTA.
Dividend Bank Details OR Date of Birth (DOB)	Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login. <ul style="list-style-type: none"> • If both the details are not recorded with the depository or company, please enter the member id / folio number in the Dividend Bank details field.

- (vi) After entering these details appropriately, click on “SUBMIT” tab.
- (vii) Shareholders holding shares in physical form will then directly reach the Company selection screen. However, shareholders holding shares in demat form will now reach ‘Password Creation’ menu wherein they are required to mandatorily enter their login password in the new password field. Kindly

note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.

- (viii) For shareholders holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (ix) Click on the EVSN for the relevant <Parag Fans & Cooling Systems Limited> on which you choose to vote.
- (x) On the voting page, you will see “RESOLUTION DESCRIPTION” and against the same the option “YES/NO” for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xi) Click on the “RESOLUTIONS FILE LINK” if you wish to view the entire Resolution details.
- (xii) After selecting the resolution, you have decided to vote on, click on “SUBMIT”. A confirmation box will be displayed. If you wish to confirm your vote, click on “OK”, else to change your vote, click on “CANCEL” and accordingly modify your vote.
- (xiii) Once you “CONFIRM” your vote on the resolution, you will not be allowed to modify your vote.
- (xiv) You can also take a print of the votes cast by clicking on “Click here to print” option on the Voting page.
- (xv) If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- (xvi) **Additional Facility for Non – Individual Shareholders and Custodians –For Remote Voting only.**
 - Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodians are required to log on to www.evotingindia.com and register themselves in the “Corporates” module.
 - A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
 - After receiving the login details a Compliance User should be created using the admin login and password. The Compliance User would be able to link the account(s) for which they wish to vote on.
 - The list of accounts linked in the login should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.
 - A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.
 - Alternatively Non Individual shareholders are required to send the relevant Board Resolution/ Authority letter etc. together with attested specimen signature of the duly authorized signatory who are authorized to vote, to the Scrutinizer and to the Company at the email address viz; info@paragfans.com (designated email address by company), if they have voted from individual tab & not uploaded same in the CDSL e-voting system for the scrutinizer to verify the same.

PROCESS FOR THOSE SHAREHOLDERS WHOSE EMAIL/MOBILE NO. ARE NOT REGISTERED WITH THE COMPANY/DEPOSITORIES.

1. For Physical shareholders- please provide necessary details like Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) by email to **Company/RTA email id**.

Issued, Subscribed and Paid Up Share Capital:

Company has allotted on 03rd, September 2020, 6,00,000 Equity Shares of Rs. 10/- each at par to Promoter/ Promoter Group on conversion of 6,00,000 Compulsory Convertible Preference Shares (CCPS) into Equity Shares on Preferential Allotment basis for consideration other than cash.

6. Disclosure regarding issue of equity shares with differential rights:

During the year company has not issued any equity shares with Differential Rights.

7. Disclosure Regarding Issue of Employee Stock Options:

During the year Company has not issued any employee stock options.

8. Disclosure Regarding Issue of Sweat Equity Shares:

During the year Company has not issued any sweat equity shares.

9. Annual Return:

In terms of provisions of Section 92, 134(3)(a) of the Companies Act, 2013 read with Rule 12 of Companies (Management and Administration) Rules, 2014, the Annual Return in Form MGT-7 for the financial year ended March 31, 2021 is put up on the Company's website and can be accessed at paragfans.com

10. Management Discussion and Analysis:

A Separate report on Management Discussion and Analysis is annexed to this report as **Annexure-I**.

11. Number of Board Meetings:

During the Financial Year 2020-21 (11) meetings of the Board of Directors of the company were held.

S.NO	DATE OF BOARD MEETING
01	17/04/2020
02	12/06/2020
03	31/07/2020
04	25/08/2020
05	03/09/2020
06	07/09/2020
07	14/09/2020
08	06/11/2020
09	11/11/2020
10	22/12/2020
11	12/02/2021

12. Particulars of loan, guarantees and investments under section 186:

During the year under review, your Company has not given any loan or guarantee which is covered under the provisions of Section 186 of the Companies Act, 2013.

13. Particulars of Contracts or Arrangements with Related Parties:

ANNEXURE-I

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Company is involved in design, manufacture, erection, testing & commissioning of Energy Efficient FRP fans. There is a reasonable potential of the product both in the domestic as well international market & these markets may offer sizable opportunities as well as a double digit growth in the years to come.

The company has built Market capabilities and Distribution network to meet out the requirement in domestic as well as export markets & continually strives to enhance market presence as well as explore new markets & territories for growth.

(i) Industry structure and developments:

The market Of Energy Efficient fans comprises mainly of three segments viz. OEM market, Domestic retrofit market & Exports. The ever growing need to reduce energy costs as well as green house emissions entails deploying methods of energy saving & use of our fans targets the aware customer who believes in efficiency as well environment protection.

With investment in infrastructure building booming especially in the power sector & other core industries, the demand for FRP fans is only going to keep increasing in the first two segments. In the export segment, the company has slowly built its presence in the international markets & built goodwill as well thus creating a pool of opportunity for itself.

(ii) Concerns:

The fear of a recurrence of recession and it's fallout in the broader economy may affect prospects of growth in the company. Although the chances are bleak, there is a building fear of a possible double dip in world economies and the same can adversely affect company's growth possibilities.

(iii) Outlook:

The FRP fans business is dependent on investment in infrastructure & the will of core industry to invest in energy efficient technologies. Even the very conservative managements are known to invest in such technologies & that has always reaped rich dividends. Therefore, the overall outlook of the industry is positive. The Company has always been striving to keep options of alternate avenues of growth alive for countering any negative impact due to either a slow down or a credit crunch which is feared and cannot be ruled out. The Company forever keeps trying upgrade its product(s) variants to be able to cater to the niche international market thus expand its marketing reach both in the country as well as overseas market.

(iv) Internal Control Systems and their adequacy:

The Company has clearly laid down policies, guidelines and procedures that form a part of the internal control system which provide for automatic checks and balances. The Audit committee reviews the effectiveness and efficiency of these systems to ensure that all the assets are protected against loss and that the financial and operational information is complete and accurate.

Audits are finalized and conducted based on the internal risk assessment. Significant findings are brought to the notice of the Audit committee of the Board and corrective measures recommended for implementation. Our work opportunities and competitive compensation policy helps us in attracting and retaining our personnel.

(v) Human relations:

The company lays special emphasis to the human resources function in our organization and believes.

The company has an elaborate performance evaluation system in place involving goal setting, and periodic reviews involving confirmation and annual reviews. The review sessions impress upon several aspects of the professionals careers such as career and competency development, financial rewards and recognition.

We endeavor to link careers to competencies, individual preferences and organizational needs.

The compensation package has a fixed component and a variable component linked to the corporate and individual performance.

(vi) Safety:

Safety management is integrated with the Company's overall environment, health and safety (EHS) management system and zero accident is taken up as the Company's goal. The following measures have been taken by the Company:

- Identification of hazard and risk present in work environment and its rectification.
- Continuous monitoring of unsafe condition and unsafe acts through safety inspection.
- Safety induction training for all employees and specific job safety awareness programs on a continuous basis

(vii) Environment friendly operations:

Environmental protection is a prime concern for us and we are aware of our core responsibility to the society in this regard.

(viii) Cautionary Statement:

Statements in the Management Discussion and Analysis Report describing the Company's objectives, projections, estimates, expectations may be forward looking statements within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include, among other things, economic conditions affecting demand/supply and price conditions in the domestic and overseas markets in which the Company operates, changes in Government regulations, tax laws and other statutes and incidental factors.

INDEPENDENT AUDITOR'S REPORT

TO

THE MEMBERS OF

PARAG FANS AND COOLING SYSTEMS LIMITED

Report on the Financial Statements

We have audited the accompanying standalone financial statements of **PARAG FANS AND COOLING SYSTEMS LIMITED** ('the Company'), which comprise the balance sheet as at March 31, 2021, the Statement of Profit and Loss, the Statement of Changes in Equity and the Statement of Cash Flow for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, its Profit, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

1. During the course of our audit, details of the Capital Work in progress amounting Rs 68.99 lacs were not made available to us (as per explanatory note to Note 2).
2. During the course of our audit, documents related to DSIR project grant amounting to Rs. 20.00 Lacs were not made available to us.
3. Certain balances of loans, other financial assets, trade receivables, other current & non-current assets, Trade payables, other financial liabilities and other current liabilities have not been confirmed (as per explanatory note to Note 3).
4. During the course of our audit, documents related to dispute with parties having debit balance of trade receivable against export sale in earlier year not realized and party hold certain amount were not made available to us.
5. In case of Non current investment physical certificate as well as demate account is not available with the company but as explained to us the company received dividend from investment in earlier year hence the company decided to carry the balances in books (as per explanatory note to Note 4).

Emphasis of Matter

Consequential impact on confirmation / reconciliation / adjustment of such balances (which will not be material as per management), if any is not ascertainable;

Our opinion is not qualified in respect of the above matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance Report, and Shareholder Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high

Email us at: info@akpsandco.com
(Formerly known as Pahwa Jhamb and Company)

level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Email us at: info@akpsandco.com
(Formerly known as Pahwa Jhamb and Company)

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the **Annexure A**, a statement on the matters specified in the paragraph 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss, Statement of Changes in Equity and Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account;

Email us at: info@akpsandco.com
(Formerly known as Pahwa Jhamb and Company)

- d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act;
- e. On the basis of written representations received from the directors as on March 31, 2021, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021, from being appointed as a director in terms of Section 164 (2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has an appeal pending with Income tax department as per note no. 19 attached with the financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 (f) under 'Report on other Legal and Regulatory Requirements' section of our report to the Members of Parag Fans and Cooling Systems Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of sub – section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **PARAG FANS AND COOLING SYSTEMS LIMITED** ("the Company") as at March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by The Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Email us at: info@akpsandco.com
(Formerly known as Pahwa Jhamb and Company)

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:-

- (i) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (ii) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (iii) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Parag Fans And Cooling Systems Limited

Balance Sheet as on 31-Mar-2021

2. Capital Work In Progress

Particulars	As on 31-Mar-2021	As on 31-Mar-2020
DSIR Project	6,899,607	6,899,607
Total	6,899,607	6,899,607

Explanatory Notes:

In absence of any document which can substantiate the status of balance reflecting in Capital Work in Progress; the management has decided to carry the balance as it is without giving any treatment under the Ind AS.

3. Financial Assets

Particulars	As on 31-Mar-2021		As on 31-Mar-2020	
	Non-Current	Current	Non-Current	Current
Compensation - Pankaj Bhargava	1,808,434	-	1,808,434	-
Total	1,808,434	-	1,808,434	-

Explanatory Note:

Details regarding Compensation receivable from Pankaj Bhargava along with documentary evidence is not available with the company and the management has decided to carry the balance as it is.

4. Investments

Particulars	As on 31-Mar-2021		As on 31-Mar-2020	
	Non-Current	Current	Non-Current	Current
Shares				
State Bank of India	2050	-	2050	-
Bank of India	18,000	-	18,000	-
Total	20,050	-	20,050	-

Explanatory Note:

Details regarding physical certificate as well as demat account is not available with the company but the company received dividend from investment in earlier year hence the company decided to carry the balances in books.

5. Inventories

(as physically verified by the management)

Particulars	As on 31-Mar-2021	As on 31-Mar-2020
Raw Material	4,229,570	1,014,692
Finished Goods & WIP	33,411,840	40,334,640
Total	37,641,410	41,349,332

6. Trade Receivable (net)

Particulars	As on 31-Mar-2021	As on 31-Mar-2020
Considered Good (Less Than Six Months)		
Domestic Sales		
More Than Six Months	11,732,193	13,969,356
Less Than Six Months	32,389,482	9,602,252
(Including Related party receivable of Rs 26339774, PY Nil)		
Export Sales		
More Than Six Months	19,301,681	36,686,054

FAIR VALUE HIERARCHY

(a) This section explain the judgements and estimates made in determining the fair values of the financial instruments. To provide an indication about the reliability of the inputs used in determining fair value. The Company has classified its financial instruments into the three levels prescribed under the accounting standard

Financial assets and liabilities measured at fair value

PARTICULARS	March,31, 2021			March,31, 2020		
	Level 1	Level 2	Level 3	Level 1	Level 2	Level 3
Financial Assets						
Investments	20,050		-	20,050		-
Loans			580			343,379
Trade receivable			70,925,871			62,161,275
Cash and Cash Equivalents			76,112			116,884
Others Financial assets			2,733,621			2,652,723
Financial Liabilities						
Short term borrowings			58,886,886			52,235,189
Trade Payable			28,840,340			30,973,750
Other financial liabilities			2,613,813			4,113,404

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and

rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities.

Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments includes:

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of forward foreign exchange contracts is determined using forward exchange rate at the balance sheet date.
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis.

All the resulting fair value estimates are included in level 2 or level 3, where the fair value have been determined based on present values and the discount rates used were adjusted for counterparty or own credit risk.

Parag Fans And Cooling Systems Limited

NOTES FORMING PART OF THE FINANCIAL STATEMENT AS AT 31ST MARCH, 2021

Fair value Estimations

Estimated fair value disclosures of financial instruments are made in accordance with the requirements of Ind AS 107 "Financial Instruments:Disclosure" Fair value is defined as the amount at which the instrument could be exchanged in a current transaction between knowledgeable willing parties in a arm's length trasaction other than in forced or liquidation sale. As no readily available market exists for a large part of the Company's Financial instruments, judgement is necessary in arriving at fair value, based on current economic conditions and specific risk attributable to the instrument. The estimates presented herein are not necessarily indicative of the amount the Company could realise in a market exchange from the sale of its full holding or a particular instrument.

Dividend/Interest-bearing investments

Fair value is calculate based on discounted expected future principles and interest cash flows. The carrying amount on the Company's investment are valued at fair value on the basis of fair market rate with reference to the investment with similar credit risk level and maturity period at the reporting date.

Trade & other receivable / Payables

The management assessed that Trade Receivables, Cash and Cash equivalents, Bank Balances, Deposits, other non derivative current financial assets, Short term borrowings, Trade payables, Non derivative Current Financial Liabilities approximate their carrng amount largely due to the short-term maturities of these intruments.

There are no transfers between level 1 and level 2 during the year

Parag Fans & Cooling Systems Limited

24A. Corporate Information

Parag Fans and Cooling Systems Limited ("the Company") is a listed entity incorporated in India. The registered office of the company is located at Plot no. 1/2B & 1B/3A, Industrial Area no. 1, A.B. Road, Dewas – 455 001 (MP), India.

The company is engaged in manufacturing of High-Efficiency Axial Flow FRP (Fibre Glass Reinforced Plastic) Fans and other related components.

24B. Significant Accounting Policies

Basis of preparation of Financial Statement

These financial statements are prepared in accordance with Indian Accounting Standard (Ind AS), under the historical cost convention on the accrual basis except for certain financial assets and liabilities which are measured at fair value (disclosed through the explanatory notes wherever applicable), the provisions of the Companies Act, 2013 ("the Act") (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

Ind AS 115 Revenue from Contracts with Customers became mandatory for reporting periods beginning on or after 01 April 2019 replaces the existing revenue recognition standards. The Company has applied the Cumulative Catch-Up approach and accordingly has included the impact of Ind AS 115 applicable to the Financial Statements.

With effect from 1st April, 2019, Ind AS 116 – "Leases" (Ind AS 116) supersedes Ind AS 17 – "Leases". The Company has adopted Ind AS 116 using the prospective approach. The application of Ind AS 116 has resulted into recognition of 'Right-of-Use' asset with a corresponding Lease Liability in the Balance Sheet.

Summary of Significant Accounting Policies

Property, plant and equipment and capital work-in-progress

Property, plant and equipment are stated at cost, net of net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalisation criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

Subsequent expenditure related to an item of property, plant and equipment is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing property, plant and equipment, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the Statement of Profit and Loss for the period in which such expenses are incurred.

Capital work-in-progress comprises of property, plant and equipment that are not ready for their intended use at the end of reporting period and are carried at cost comprising direct costs, related incidental expenses, and other directly attributable costs and borrowing costs.

Gains or losses arising from de-recognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

Depreciation on Property, plant and equipment is provided using written down value method based on the useful life of the assets as prescribed in Schedule II to the Companies Act, 2013 except in respect of the following assets, where useful life is different than those prescribed in Schedule II;

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively.

Intangible assets

Intangible assets are stated at cost, net of accumulated amortisation and impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalisation criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

Gains or losses arising from de-recognition of intangible assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

Amortisation of intangible asset is calculated on pro rata basis on straight-line method using the useful lives of the assets and in the manner prescribed in Schedule II of the Companies Act, 2013.

Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement in exchange for consideration. A lease is classified at the inception date as a finance lease or an operating lease.

A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease. Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases.

Company as a Lessee

Operating lease payments are recognised as an expense in the Statement of Profit and Loss as per the contractual terms over the lease period.

Finance lease are capitalised at the commencement of the lease and depreciated over the period of lease.

Company as a Lessor

Lease receipts are recognised as income in the statement of profit and loss when the right to receive lease instalment arises which is as per the terms of the contract.

Finance cost

Borrowing cost includes interest, exchange differences arising from the foreign currency borrowings and amortization of ancillary costs incurred in connection with the arrangement of borrowings.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

Impairment of Non-Financial Assets

The carrying amounts of assets are reviewed at each Balance sheet date. If there is any indication of impairment based on internal / external factors, Impairment Loss is provided to the extent the carrying amount of assets exceeds their recoverable amount. Recoverable amount is the higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. Net selling price is the amount obtainable from the sale of an asset in an arm's length transaction between knowledgeable, willing parties, less the costs of disposal. Impairment losses are recognised in the Statement of Profit and Loss.

Non-Current Assets Held for Sale

The Company classifies non-current assets as held for sale if their carrying amounts will be recovered principally through a sale rather than through continuing use. Actions required to complete the sale should indicate that it is unlikely that significant changes to the sale will be made or that the decision to sell will be withdrawn. The Company is committed to the sale expected within one year from the date of classification (Disclosed through explanatory notes wherever applicable).

Non-current assets held for sale are measured at the lower of their carrying amount and the fair value less costs to sell (Disclosed through explanatory notes wherever applicable). Assets and liabilities classified as held for sale are presented separately in the Balance sheet (wherever applicable). Property, plant and equipment and intangible assets once classified as held for sale are not depreciated or amortised.

Research and Development Expenditure

Revenue expenditure pertaining to research is charged to Statement of Profit and Loss. Development costs of product are charged to Statement of Profit and Loss unless a product's technological and commercial feasibility has been established, in which case such expenditure is capitalized.

Inventories

Raw materials, traded goods, work in progress, finished goods, packing materials, project material for long term contracts, and stores and spares are valued at lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost.

The stock of scrap materials is taken at net realisable value.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

Revenue recognition

Revenue from contract with customer's against sale of goods, Consultancy contracts and its related provision of services.

The Company satisfies a performance obligation and recognizes revenue over time, if one of the following criteria is met:

- a) The Company's performance does not create an asset with an alternate use to the Company and the Company has as an enforceable right to payment for performance completed to date.
- b) The Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced.
- c) The customer simultaneously receives and consumes the benefits provided by the Company's performance as the Company performs

For performance obligations where one of the above conditions is not met, revenue is recognized at a point in time at which the performance obligation is satisfied.

When the Company satisfies a performance obligation by delivering the promised goods or services it creates a contract based asset on the amount of consideration earned by the performance. Where the amount of consideration received from a customer exceeds the amount of revenue recognized this gives rise to a contract liability. In case of multiple performances obligation revenue for each performance obligation is recognized when it is satisfied.

Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes and duty.

Revenue in other cases is recognized to the extent it is probable that the economic benefits will flow to the Company and the revenue and costs, if applicable, can be measured reliably.

Sale of goods

Performance obligation in case of Revenue from sale of goods is satisfied at a point in time and is recognized when the performance obligation is satisfied and control as per Ind AS 115 is transferred to the customer. The Company collects GST on behalf of the Government and, therefore, these are not economic benefits flowing to the Company. Hence, they are excluded from revenue. Revenue is disclosed net of discounts, incentives and returns, as applicable.

Interest income

Interest income is recognised on accrual basis.

Dividend Income

Dividend income is recognised as and when company's right to receive the amount has been established.

Foreign Currency Translation

The Company's Financial Statements are presented in Indian rupee (INR) which is also the Company's functional currency.

Foreign currency transactions are recorded on initial recognition in the functional currency, using the exchange rate prevailing at the date of transaction.

Measurement of foreign currency item at the Balance sheet date

Foreign currency monetary assets and liabilities denominated in foreign currency are translated using the closing rate and Non monetary items are not reinstated on reporting date.

Exchange differences

Exchange differences arising on settlement or translation of monetary items are recognised as income or expense in the Statement of Profit and Loss. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

Employee benefits

a) Short Term Employee benefits

All short-term employee benefits such as salaries, incentives, special awards, medical benefits which are expected to be settled wholly within 12 months after the end of the period in which the employee renders the related services which entitles him to avail such benefits are charged to the Statement of Profit and Loss.

b) Defined contribution plans

Retirement benefit in the form of provident fund and 'Employer-Employee Scheme' are defined contribution schemes. The Company recognises contribution payable to the provident fund and 'Employer Employee' scheme as expenditure, when an employee renders the related service. The Company has no obligation, other than the contribution payable to the funds. The Company's contributions to defined contribution plans are charged to the Statement of Profit and Loss.

Defined benefit plan – The Company pays gratuity to the employees who have completed five years of service at the time of resignation / superannuation.

Tax expenses

Current tax

Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred tax

Deferred tax is provided using the temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred income tax is measured using the tax rates and the tax laws enacted or substantially enacted at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised for deductible temporary differences only to the extent that there is reasonable certainty

that sufficient future taxable income will be available against which such deferred tax assets can be realised.

At each reporting date, the Company re-assesses unrecognised deferred tax assets. It recognises unrecognised deferred tax asset to the extent that it has become reasonably certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each reporting date. The Company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effect of all potentially dilutive equity shares.

Provisions, contingent liabilities and capital commitments

A provision is recognised when the Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the Statement of Profit and Loss.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the Financial Statements.

Capital Commitments includes the amount of purchase orders (net of advances) issued to parties for completion of assets.

Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand, cheques in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purposes of cash flow statement consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity

Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value. In the case of financial assets not recorded at fair value through Statement of Profit and Loss; it is recorded at transaction costs that are attributable to the acquisition of the financial asset.

Financial assets are classified at the initial recognition as financial assets measured at fair value or as financial assets measured at amortised cost.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in two broad categories:

- Financial assets at amortised cost
- Financial assets at fair value

Where assets are measured at fair value, gains and losses are either recognised entirely in the Statement of Profit and Loss (i.e., fair value through Statement of Profit and Loss), or recognised in other comprehensive income (i.e., fair value through other comprehensive income).

Financials assets carried at amortised cost

A financial asset that meets the following two conditions is measured at amortised cost (net of Impairment), unless the asset is designated at fair value through Statement of Profit and Loss under the fair value option.

Business Model test: The objective of the Company's business model is to hold the financial asset to collect the contractual cash flow.

Cash flow characteristics test: The contractual terms of the financial assets give rise on specified dates to cash flow that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income

Financial asset is subsequently measured at fair value through other comprehensive income if it is held with in a business model whose objective is achieved by both collections contractual cash flows and selling financial assets and the contractual terms of the financial assets give rise on

specified dated to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial asset at fair value through profit or loss

A financial asset which is not classified in any of the above categories is subsequently fair valued through Statement of Profit and Loss.

De-Recognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised when:

- a) The rights to receive cash flows from the asset have expired, or
- b) The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Impairment of financial assets

The Company assesses impairment based on expected credit losses (ECL) model for the following:

- a) Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18.
- b) Other financial assets such as deposits, advances etc.

The Company follows 'simplified approach' for recognition of impairment loss on trade receivables or contract revenue receivables.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

Financial liabilities

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

Subsequent Measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term.

Gains or losses on liabilities held for trading are recognised in the profit or loss

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/losses attributable to changes in own credit risk is recognized in OCI. This gains/loss is not subsequently transferred to Profit and Loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at the rate of the instrument.

De-Recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Government Grants

The financial books show a grant received from the Government authorities. The company has not amortized the grant as there are no sufficient documents to substantiate the systematic basis and to ascertain the related cost for which the grant was received.

Offsetting

Financial assets and financial liabilities are offset and the net amount is presented in the Balance Sheet when, and only when, the company has a legally enforceable right to set off the amount and it intends, either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

Global Health Pandemic COVID-19

The outbreak of Corona virus (COVID-19) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. In many countries, businesses are being forced to cease or limit their operations for long or indefinite periods of time. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing, and closures of non-essential services have triggered significant disruptions to businesses worldwide, resulting in an economic

slowdown. COVID19 is significantly impacting business operation of the companies, by way of interruption in production, supply chain disruption, unavailability of personnel, closure/lockdown of production facilities etc. On 24th March, 2021, the Government of India ordered a nationwide lockdown for 21 days which further got extended till 3rd May, 2021 to prevent community spread of COVID-19 in India resulting in significant reduction in economic activities. Further, during March 2021/April 2021, there has been significant volatility in oil prices, resulting in uncertainty and reduction in oil prices.

In assessing the recoverability of Company's assets such as Investments, Loans, intangible assets, Goodwill, Trade receivable etc. the Company has considered internal and external information. The Company has performed sensitivity analysis on the assumptions used basis the internal and external information/indicators of future economic conditions, the Company expects to recover the carrying amount of the assets.

Significant accounting judgements, estimates and assumptions

In the course of applying the policies outlined in all notes, the Company is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future period, if the revision affects current and future periods.

Judgements

In the process of applying the Company's accounting policies, management has made the fundamental judgements, which have the most significant effect on the amounts recognised in the Financial Statements.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are considered by the company while preparation of Financial Statements. The Company based its assumptions and estimates on parameters available when the Financial Statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Standards issued but not effective

The Company has applied the Companies (Indian Accounting Standards), Amendment Rules 2019 which is effective from 01 April 2019, while preparing the restated Ind AS financial statements.

Accordingly, the Company has applied the standards and interpretations issued which are not effective to the reporting period presented. Thus, all the Ind AS applicable till date have been applied, and there are no standards which are issued but not yet effective.

Disclosure requirements of Indian Accounting Standards

10. Disclosure in respect of Indian Accounting Standard 1 – Presentation of Financial Statements

Capital Management

The primary objective of the company's capital management is to maximise the shareholder value. The company monitors its capital management using Debt Equity Ratio, which is long term debt divided by total owner's capital. Debt Equity Ratio is as under;

Particulars	As on 31-Mar-2021	As on 31-Mar-2020
Total Debt – a	5,85,98,190.00	5,02,01,671.00
Total Equity (INCLUDING INT FREE UNSECURED LOANS FROM DIRECTORS AND SISTER CONCERNS – b	3,84,04,066.67	3,95,41,588.00
Debt : Equity Ratio – (a/b)	1.53	1.27

For the purpose of the company's capital management, capital includes issued capital and reserves. Debt includes long term loans and borrowings.

11. Disclosure in respect of Indian Accounting Standard 115 – Revenue from Contracts with Customers

IND AS 115, Revenue from contracts with customers deals with revenue recognition and establishes principles for reporting useful information to users of financial statements about the nature, amount, timing and uncertainty of revenue and cash flows arising from an entity's contracts with customers. Revenue is recognised when a customer obtains control of a promised good or service and thus has the ability to direct the use and obtain the benefits from the good and service in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods and services.

As informed by the management the revenue is recognised as and when the performance obligation is satisfied. In absence of contract, the company is not in a position to disclose the transaction price of the contract, payment terms, etc..

12. Disclosure in respect of Indian Accounting Standard 19 – Employee Benefits

General description of the various defined employee benefits is as under;

Provident Fund

Company's provident fund is managed by regional provident fund commissioner. The company pays fixed contribution to provident fund at a pre-determined rate. The liability is recognised on accrual basis.
